

SUPPORTING OUR COMMUNITY ONE DONATION AT A TIME

COMMUNITY PANTRY

During the season of Lent, a time for great self-reflection, we engage in prayer, sacrifice, and almsgiving. As part of our Commitment to Service, St. Brother André CHS is dedicated to supporting families in our community however we can. We are proud to introduce the SBA Community Pantry, a long-term initiative designed to provide essential items to those in need within our school community.

How You Can Help:

We are accepting donations of the following items to support identified needs within our school community:

- Gift cards to local grocery stores
- Non-perishable food items (canned goods, pasta, rice, cereal, etc.)
- Personal hygiene products (soap, shampoo, toothpaste, deodorant, etc.)
- Cold weather essentials (socks, gloves, hats, scarves)

Where Will the Donations Go?

Items will be stored in a secure but discreet location within the school. As needs arise, the school Administration will ensure that donations reach those who require support. This initiative will be ongoing, with donations being accepted throughout the school year.

How to Donate

Donations can be dropped off at the main office or homeroom classes. While specific donation drives will take place at various points in the year, we welcome contributions at any time. Your generosity is deeply appreciated, and together, we can make a meaningful difference in the lives of those in need.

Thank you for your kindness and generosity!

FOOD DONATION CONSIDERATIONS

WHAT FAMILIES NEED

- pasta and pasta sauces
- canned soups, stews, chili
- macaroni and cheese
