Dear Secondary Students and Families,

We are writing to inform you that Secondary Report Cards have been prepared and are scheduled to be released today through your Edsempi accounts. Reports will be available for viewing after **4:00 p.m.** this afternoon.

At this time, report cards are only available digitally; however, the print function is temporarily unavailable. Please be assured that this will not affect your ability to view marks online, nor will it have any impact on university or college application deadlines or processes.

Marks may be accessed in Edsempi's Parent Portal. [Step-by-step instructions](#) are available here and on our Board website. Parents may view their reported marks, comments and learning skills in the achievement tab. We will notify families as soon as the print feature becomes available.

As partners in Catholic education, we thank you for your understanding and continued support. We hope students take pride in their efforts and accomplishments thus far this school year. May this reporting period serve as both a moment of reflection and encouragement as we continue to grow in learning, perseverance and faith.

Yours in Catholic Education,
